This 3 day TRAQ class and exam is open to interested parties who meet the pre-requisites (see handbook) and is **limited to 40 arborists** (first-come/first-served). The qualification consists of a 2-day educational course followed by a ½ day assessment that includes both a written and field component. It is required that you attend the course and successfully complete the assessment in order to receive this qualification.

REGISTRATION CLOSES AT MIDNIGHT ON Tuesday, September 12, 2017 (EST) OR WHEN CLASS IS FILLED

- If paying by check, we must receive your check by **September 12, 2017** to remain on the class list.
- Cancellation/refund/substitution requests must be submitted by **September 12, 2017**.
- All applications will be reviewed - your registration will be confirmed via email from Florida ISA.
- Prior to the class ISA will ship your TRAQ packet from Champaign, IL via UPS to the address you provide (**NO PO BOXES**). The packet will include 1 copy each of the *Tree Risk Assessment Manual* and the *Tree Risk Assessment Workbook*. You are required to bring these items all 3 days. No discount or refund will be given if you already own a manual.
- If you need to apply for a TRAQ exam retake only, you must contact ISA at QUAL@ISA-Arbor.com or call 1-217-355-9411. Individuals taking a re-take exam will not receive a new manual or workbook.

WHAT TO DO NOW

- Read the Tree Risk Assessment Candidate Handbook (www.isa-arbor.com/certification/resources/TRAQHandbook.pdf)
- Review pricing information
- Register either online, via phone, by scanning and emailing your form to floridaisa@comcast.net or via mail (will take longer to receive - no guarantee of a spot)

WHAT TO BRING TO THE CLASS

- Your government issued photo ID
- Tree Risk Assessment Manual and Workbook (will be shipped to you prior to the class to the address you provide - no PO boxes)
- Hard hat and high visibility vest or shirt (required)
- #2 pencils and clipboard for taking notes and completing worksheets
- Rain gear, including a large ziplock bag (just in case!)

Please dress for your comfort level indoors and outdoors; we cannot always control the room temperature to suit everyone. Come prepared to spend part of the day outdoors.

ABOUT THE INSTRUCTORS

Norm Easey is CEO of the Florida Chapter ISA and has a special interest in sharing his tree knowledge; he is a familiar face at the chapter seminars as moderator, speaker and administrator. Most recently Norm served for 4 years on a panel of industry experts that created the ISA Tree Risk Assessment Qualification (TRAQ) credential.

Sharon Lilly is a past president of ISA and former chair of the ISA Certification Board. She has more than 25 years' experience in the commercial sector and has taught arboriculture at the college level. In addition to authoring and producing the interactive CD-ROM series, she is the author of several popular books, including the ISA Arborist Certification Study Guide. More recently, Sharon lead the development of the Tree Risk Assessment Manual and Qualification, as well as the Best Management Practices for Tree Risk Assessment. Sharon continues to write and conduct seminars on many aspects of arboriculture.
