

**Florida Chapter International Society of Arboriculture
Grant Application Pre-Proposal Form**

Pre-proposals accepted January 15 through April 1, 2018

Please Note: Submit applications via email using this form or a duplicate of 2 pages maximum, using 10 point font or greater. You must address all items listed. Applications not conforming to these standards will not be considered.

Project Title:

Principal and other Investigators:

**Mailing and email address
of Principal Investigator (PI):**

Phone numbers of PI (cell preferred):

You MUST complete ALL 3 of the following questions in the space below, listing them A, B and C:

A-Objectives: list the major objectives of proposed project

B-Deliverables: list or discuss what the project deliverables will be and the relevance of each to the project

C-Situation/Condition/Problem that the Project is Attempting to Solve:

Project description: How will the project achieve the objectives? Who will be involved? Briefly describe the time line of activities for the period of the proposed project.

Budget: Provide an estimate of costs and budget information for the project. A specific budget displaying detailed line items will be required if a full proposal is requested. Budget total may not be adjusted upward at a later time.

Related project work: List any similar activities or efforts you conducted over the past 3 years. Include partners and sponsors of the projects, if known. *Projects listed should demonstrate organizational capacity for a project of the nature being applied for and organization's ability to begin work on the project immediately after a grant is awarded.*

G. Project significance: Briefly discuss why this project should be considered as a top priority for the Florida ISA Grant Program given program priorities.

Email pre-proposal document to grants@floridaisa.org by April 1, 2018.
