AGENDA

8:00 - 8:30 Registration with Continental Breakfast

8:30 – 9:45

Managing Trees During Construction

WPBeach: Bill Schall, UF-IFAS Extension Palm Beach County

Tampa: Rob Northrop, University of Florida, IFAS Extension

Preserving trees during development and redevelopment can be a challenge. In this session we will take a fresh look at tree preservation during construction.

9:45 – 10:30

Managing Urban Soil for Sustainable Landscapes

Both Locations: Dr. Bill Donovan, Palm Beach State College, Palm Beach, FL

Soil is the life-blood of plants. In this session Dr. Donovan will discuss how to assess and manage Florida urban soils.

10:30 – 10:40 Break with refreshments

10:40 – 12:00

Planting, Establishing, and Long-Term Irrigation

Both Locations: Dr. Stephanie Parker, Mainscape, Deland, FL

Learn to plant, establish, and irrigate trees and other woody plants properly to assure their long-term survival in Florida landscapes.

12:00 – 1:00 Lunch (provided)

1:00 - 2:30

Tree Species Selection Impacts Sustainability

Both Locations: Timothee Sallin, Cherry Lake Tree Farm, Groveland, FL

Selecting the correct tree for each site is critical for its long-term survival. In this session Timothee will discuss new and proven favorite trees and shrubs.

2:30 – 2:45 Break with refreshments

2:45 – 4:00

Why Landscapes Fail

WPBeach: Dr. Stephanie Parker, Mainscape, Deland, FL

Tampa: Dr. Gail Hansen, University of Florida, Gainesville, FL

We have seen landscapes fail and the reasons are often predictable. This session will discuss why landscapes fail so you can avoid these common pitfalls.

4:00

Adjourn and Sign for CEUs

MEET OUR EXPERTS

DR. STEPHANIE PARKER

Dr. Stephanie Parker is a Florida native with 28 years in the green industry, starting with owning a landscaping company in 1990. She earned a B.S. in microbiology in 1999 and a Doctorate of Plant Medicine in 2004 from University of Florida. She is also an ISA Certified Arborist with TRAQ credential. She started a consulting firm, PHC Professionals, Inc. in 2010 to offer plant health consultation including diagnosis of tree, turf and shrub disorders, offering prescriptive and custom agronomic programs, and training to multiple sectors in the green industry. She has been with Mainscape, Inc for the

past 3 1/2 years in the role of Regional Director of Agronomy. Her passion is helping those who manage turf, ornamentals and trees understand how to perform comprehensive evaluation of plant problems and devise sustainable solutions.

DR. BILL DONOVAN

Dr. Bill Donovan is an Adjunct Instructor of Environmental Horticultural at Palm Beach State College where he teaches on soils and fertilizers providing a study of soil characteristics, classifications, testing, and plant nutrition as well as management of soils and amendments for specific horticultural purposes by understanding soil reaction and types and uses of fertilizers.

DR. GAIL HANSEN

Dr. Gail Hansen is an associate professor in the Environmental Horticulture Department at the University of Florida. She is a faculty member in the Center for Landscape Conservation and Ecology (CLCE) where her extension program addresses best design practices for residential and urban landscape design. Dr. Hansen has an MLA and PhD in landscape architecture. She worked for a private landscape architecture firm in Gainesville, FL for eight years and as an adjunct faculty for seven years in the landscape architecture department at UF before joining the environmental horticulture department where she teaches the residential landscape design course.

ROB NORTHROP

Rob Northrop is an extension forester for the University of Florida. His work involves teaching urban and community forestry to natural resource and landscape professionals, providing conservation planning assistance to local, state and federal governments and community associations, and applied research into the changing character and ecological function of the Tampa Bay Watershed's urbanizing forest.

TIMOTHEE SALLIN

Timothee Sallin is President of Cherry Lake Tree Farm and LegacyScapes. Timothee is responsible for guiding the implementation of strategy and providing executive leadership to the company operations. He is passionate about connecting with leaders in the landscape, construction, design and planning industries in order to build beautiful, functional and sustainable landscapes.

BILL SCHALL

Bill is the Commercial Horticulture Extension Agent IV for the University of Florida/Palm Beach County Extension in West Palm Beach Florida. He has a B.S. Degree in Ornamental Horticulture and M.S. Degree in Plant Protection, and has served as a Commercial Horticulture Extension Agent since 1987 in both Broward and Palm Beach Counties. His responsibilities include administering educational programs and providing diagnostic advising for Palm Beach County's nursery, landscape, arborist and pest management firms. Bill has received numerous awards for his work including the Florida Association of County Agricultural Agents Distinguished Service Award, and is a three-time recipient of the Golden Palm Award, which was presented by the Palm Beach County Administrator for Bill's exemplary programmatic efforts in horticulture and pest management.
