**Right Tree
Right Place
Seminar**

Thursday - February 16, 2012

Leu Gardens
1920 North Forest Avenue
Orlando, Florida

Right Tree Right Place Seminar

Right Tree, Right Place is a familiar phrase and concept, but not always easily achievable. This seminar will demonstrate how to complete a project by learning the importance of knowing your landscape codes, understanding the planting site and the selecting of the right tree for the site. Whether you are a homeowner, HOA, developer, contractor, landscape architect, or government employee, this seminar will educate and enlighten you.

Thursday - February 16, 2012
Leu Gardens – Orchid Room

7:30 – 8:15 a.m.

Seminar Check-In (Continental breakfast provided)

8:15 – 8:30 a.m.

Welcome

Mary Lou Hildreth, *FUFC President*

Robert Bowden, *Executive Director, Leu Gardens*

8:30 – 9:15 a.m.

Landscape Codes for the 21st Century

Ken Pelham, *Planner III – City of Orlando*

Changing technologies and trends in the way we live, work and play demand new thinking and new approaches to landscape and tree protection codes.

9:15 – 10:00 a.m.

Planting Trees Under Power Lines

Wayne Zimmerman, *Manager - Orlando Utilities Commission*

Learn about the latest Federal and State regulations affecting tree planting.

10:00 – 10:15 a.m.

Break

10:15 – 11:00 a.m.

The Right Place: Understanding the Planting Site

Celeste White, *Orange County Extension*

Evaluating the site conditions of a planting site.

11:00 – 11:45 a.m.

Selecting Quality Trees for Central Florida

Michael Marshall, *Vice President and General Manager - Marshall Tree Farm*

Why quality trees are important for long-term success in the landscape and production processes and practices essential in creating quality trees for a sustainable urban forest.

11:45 – 12:15 p.m.

Lunch

12:15 – 1:00 p.m.

Leu Gardens Tour

Robert Bowden, *Executive Director, Leu Gardens*

SPEAKER BIOS

Robert Bowden is the Executive Director of the Harry P. Leu Gardens and is a leading authority on Florida plants. Robert has appeared in such magazines and publications as Garden Design, Traditional Home, Southern Accents, and The New York Times. He has also appeared on HGTV's Way to Grow! and Rebecca's Garden.

Ken Pelham is a Landscape Architect with the City of Orlando's Planning Division and has worked on development and review and City Code issues for the City. Prior to that, Ken worked for Orange County Parks and Recreation Division.

Wayne Zimmerman, Manager at Orlando Utilities Commission (OUC), has over 25 years experience at OUC. Wayne oversees vegetation maintenance of over 1,500 miles of distribution and transmission power lines.

Celeste White is the Commercial Horticulturist with Orange County University of Florida IFAS Extension in Orlando Florida. Celeste is a graduate of the University of Maryland and has been with the University of Florida Extension Service for the past 24 years.

Michael Marshall is Vice President and General Manager at Marshall Tree Farm, a 450 acre landscape tree farm in North Central Florida. He studied horticulture at the University of Florida and received a BS in Environmental Horticulture in 1994 and an MS in 1997. Michael serves on the Board of Directors for FNGLA and ISA.
