

Dear Arborist Friends:

The Florida Chapter ISA is pleased to bring the Trees Florida conference to the Hammock Beach Golf Resort and Spa, in Palm Coast, FL. We are looking forward to seeing you in the education sessions, in the exhibitor hall, and on the floor for the silent auction.

The silent auction is a popular and traditional offering at the conference. Money is raised for the John P White Scholarship supporting the next generation of arboricultural leaders. Your generous donation of auction items will keep the event exciting, rewarding, and a tree-mendous success. In the coming months, please keep your eyes open for unique gifts and tree items to be donated for the silent auction. Even better, Florida ISA is a 501 (c)3 organization. Your donations may be tax-deductible. Please consult your tax advisor.

There are a number of ways to bring items to the auction table. Bring your silent auction donations with you when you come to the conference and turn them in at the auction booth. Include your details on the donation form!

Alternately, ship items to:
Florida Chapter ISA
2520 N McMullen Booth Road
Suite B-#235 Clearwater, FL 33761

On behalf of the Trees Florida 2025 Planning Committee, we look forward to seeing you at Palm Coast. Join us at the table, network with friends and colleagues, join in a game of ring toss, and join in the fun. Help raise TREE fund donations and perhaps win some refreshing prizes.

Enthusiastically,
Joe Anderson
